- On bases of our experience, we can say that if casting components are used for decorating a house, it increases not only its value but also it's strength.

This concept is ages old since Victorian era. We are reproducing this age old concept in different way but affordable. We have widest range of designs to offer to our esteem customers for Gates, Balconies, Compound Walls Grills, Stairs and Spiral Stairs, Garden Furniture etc.

The workmanship of our home decor cast iron designs is outstanding and worth having a look.
